### **PDF Adland A Global History of Advertising EBook - Video**

The global perspective on advertising and the life of 'ad men' is glamorized in the media through historical perspectives. This book was a great compliment in that it dispelled and displayed some of the glamour.

### **Adland: A Global History of Advertising - booksworld.co.uk**

A "global history of advertising" in fewer than 300 pages is an unlikely prospect, but hats off to Paris-based journalist and broadcaster Mark Tungate for taking a wider view than the standard Anglo-American account. As he points out near the beginning of the book, a history of anything is always going to leave out more than it puts in.
