The Polish crisis of 1980â€”1981, associated with the emergence of the Solidarity mass movement in Poland, challenged the Soviet Union's control over its satellite states in the Eastern Bloc. [citation needed]For the first time however, the Kremlin abstained from military intervention, unlike on previous occasions such as the Prague Spring of 1968 and the Hungarian Revolution of 1956, and thus ...

A refugee, generally speaking, is a displaced person who has been forced to cross national boundaries and who cannot return home safely (for more detail see legal definition). Such a person may be called an asylum seeker until granted refugee status by the contracting state or the UNHCR if they formally make a claim for asylum. The lead international agency coordinating refugee protection is ...
