Lesley, Pre-MBA candidate, Summer 2010 This was my first online class, so I really had no clue what to expect. To say I was happily surprised is an understatement. I have never been a strong student when it comes to math, and this class was so clear and easy to follow that I felt I understood the concepts exceptionally well.

A virtual learning environment (VLE) is a system that creates an environment designed to facilitate teachers' management of educational courses for their students, especially a system using computer hardware and software, which involves distance learning. In North America, a virtual learning environment is often referred to as a "learning management system" (LMS).

### **History of virtual learning environments - Wikipedia**

A comprehensive examination of geometric concepts, each lesson provides thorough explanations and builds on prior lessons. Step-by-step instruction and multiple opportunities for self-check practice develop skills and confidence in students as they progress through the course.
