This book guides the reader through these changes in a breezy fashion, almost in a way that a good novelist would take. What truly stands out in this book is the way that it describes in an easy-to-read, step-by-step manner, the world of currency options and risk management in an intuitive, yet rigorous manner.

Risk Books

â€œ This has got to be the most affecting Young Adult novel I have ever read. It is also the scariest. What makes Risk so truly horrifying is that it is too real. The threat that is explored in this novel is ever present in all of our social media ridden lives . . . All the characters in this book are so relatable.
