Head cheese or brawn is a cold cut that originated in Europe. A version pickled with vinegar is known as souse. Head cheese is not a dairy cheese, but a terrine or meat jelly made with flesh from the head of a calf or pig, or less commonly a sheep or cow, and often set in aspic. The parts of the head used vary, but the brain, eyes, and ears are usually removed.

Brie (/ b r i ˈ ɛ • /; French: ) is a soft cow's-milk cheese named after Brie, the French region from which it originated (roughly corresponding to the modern département of Seine-et-Marne). It is pale in color with a slight grayish tinge under a rind of white mould. The rind is typically eaten, with its flavor depending largely upon the ingredients used and its manufacturing environment.
